

# Annual Freedom Ride

## June 13th, 2026 How can you help?

We know that businesses and individuals such as you, are targeted often for sponsorship without receiving anything in return. By becoming an **Official Ride for Freedom Sponsor**, there are several ways your business will benefit.

Sponsors will be announced at our event, listed in our newsletter, posted on our website & social media pages, and listed on our event flyer. If applicable, we encourage sponsors to set up vendor booths at our event. All donations & sponsorships will go directly to event and ministry needs. We are not just looking for a donation, but individuals and companies to partner with us in the fight against homelessness & addiction.
